## Community Partnership

A goal of the National Adaptation Forum is to acknowledge our local partners and elevate their adaptation efforts to a national level. In 2019, we collaborated with a wealth of adaptation engaged partners in the Madison region.

- Pre-Forum Ho-Chunk Nation Cultural Landscape Tour on the University of Wisconsin campus.
- Forum participants donated \$1100 to a travel offset project with the Center for Resilient Cities, a non-profit working to create sustainable, resilient community in south Madison.
- Climate Adaptation Week proclaimed by the City of Madison, Dane County and the State of Wisconsin.
- Wisconsin track in the Forum Program co-created with City, County, State, University and Tribal partners in the Madison region.
